Alexandria, Virginia 22313-1450

Sir/Madam:

Applicant notes from PAIR data that the Office has apparently calculated a 156-day positive adjustment to the patent term based on Applicant's filing of an Appeal Brief on 3-25-2006, followed by the mailing of a Notice of Allowance on 12-28-2006. Applicant notes that a Notice of Defective Appeal Brief was mailed on 6-8-2006, followed by the filing by Applicant of a substitute Appeal Brief on 9-12-2006.

Applicant brings the foregoing facts to the attention of the Office so that the Office may make a final determination of the proper PTA calculation based on this file history, and in particular the events surrounding the above appeal brief filings.

Respectfully submitted,
